## "Our Town"

J. B. WHITE

Texas politicians has no record of such coat tail riding as Lyndon Johnson is now attempting. Involved in the questionable tactics is the President of the United States. This morning I received through the mails a special delivery letter in the hope that it would be published. It is so unusually bad taste we have decided to do the mean thing, day by day, and let you read first hand the depths to which the Johnson campaign has stooped. Here it is:

"I have your telegram of May thirty first in which you say that if I as your Commander in Chief need you that you will come at once. I have declared a National Emergency because the seriousness of the present emergency warrants it.

"However we should not lose sight of our ultimate objective which is the defense of our democratic way of life.

"The people of Texas by taking part in the election on June twenty eighth of a United States Senator thereby present a convincing demonstration of our democratic process at work. In my opinion the people of Texas are entitled to be informed of the issues by the candidates for that office and I can think of no better way to present the issues than through personal appearances by all the candidates. Therefore I suggest that you stay in Texas during the campaign unless conditions change so radically that your presence in Washington is necessary. If that happens I will send for you. Please return immediately after election.

### "FRANKLIN D. ROOSEVELT"

As the article starts off it says President Roosevelt has asked Lyndon Johnson to continue his campaign in Texas to acquaint the people with the issues involved in the national emergency. Of course you and I are given to understand thereby that unless Mr. Johnson tells us how bad things are and how necessary he is to Roosevelt, we will in no wise know how to cast a ballot. Mr. Johnson has served exactly one year in Congress. If congressional experience is a qualification, he does not possess it. If Mr. Roosevelt continues his present policy of doing exactly nothing to stop Hitler, he cannot of course need anyone to help him. Mr. Johnson's hallucination is getting him far afield. He is running in the wrong direction. As an errand boy for the White House he is perhaps qualified. If these telegrams are authentic, then Mr. Roosevelt has overestimated the patience of Texas Democrats. It's no credit to you Mr. Johnson to be regarded as essential for a job of doing nothing. I could think of a better one than that.

## NEW TOTALS ANNOUNCED IN DEFENSE SECURITIES

Here is the table showing defense bonds purchased during the week and also a grand total for the period:

This Week	
Buckholts	
Cameron	\$2,437.70
Gause	38.60
Milano	
Rockdale	484.95
Total for week	\$3,144.70
Total to Date	
Buckholts	\$1,050.00
Cameron	7,407.45
Gause	200.85
Milano	440.10
Rockdale	6,655.60
Thorndale	4,084.95
Total	\$19,838.95

In the contest staged by the Cameron Lions Club in which every student in high school participated by writing a paper on the subject "Why I Should Buy Defense Bonds and Defense Stamps," winners are announced as follows: Carl Cooper of Maysfield, first place; Bobbie Bennett of Cameron, second place. Cooper received \$7 in defense stamps and Bennett received \$3 in defense stamps.

Emory B. Camp, county chairman for the sale of defense bonds, is grateful for the co-operation from the citizens and feels the campaign is succeeding well.

Ruth Cryer of Val Verde transacted business in Cameron Saturday.

## 50,000 PLANE SCHEDULE BIG ARMY EXPANSION

President Roosevelt asked Congress today for ten billion dollars for an expansion of the army and navy and to bring airplane production up to 50,000 per year.

The new appropriation bills were introduced in the House and Senate. No debate was expected. The Congress passes appropriation bill as fast as they come up.

There was no indication as yet that America was doing anything effective to aid Britain. The President's fireside chat on last Wednesday night seems to have fallen flat so far as action is concerned.

The figure for present emergency demands exceeds all previous period spending, even the world war days.

Some belief was expressed that the huge appropriations are being and will be used to stuff the pockets of labor and a few large industries who are in the good grace of the administration.

In Los Angeles an aircraft factory producing one fifth of the nation's output was closed down today when workmen went on strike. The government, already weakened by political toleration of radicals through the CIO, was regarded as incapable of strong action. The full import of the strike situation was not due to be realized until the critical hour of national decision is to be made and the United States begins aid to Britain.

It was said in Washington that the War Department has no plan now to retain selective service men in training for more than one year. Large and more numerous training centers are to be erected.

Any idea that the United States may enter the war was rapidly disappearing. After all, some said, it's just a peace time spending program to keep the labor vote in tow.

The Nazi are bombing Alexandria in Egypt. Many have been killed. A news cast said the British are "poised" and ready for action in Syria.

## Jack Lewis, Jr., Is Winner of American Legion Award Here

Jack Lewis, Jr., won the American Legion Award for boys among the graduates from grammar school.

The award was made on May 29th when graduation exercises were held on Yoe High Athletic Field. As one of the ranking students of the class, Jack delivered an address on "Watchwords of Democracy."

He is the son of Mr. and Mrs. Jack Lewis, Sr., his father being former Criminal District Attorney.

The award is made annually by the American Legion throughout the United States. In Cameron Edwin Hardy Post No. 9 makes the award. It was presented by Emmett Streetman and countersigned by O. B. Horstmann, Post Adjutant.

The award consists of a certificate of recognition of honor, courage and scholarship, a bronze plaque with suitable inscription and a bronze button.

A student to earn this award must have fulfilled all conditions set out in the text and Jack having met these qualifications becomes one of the immortals of Ada Henderson School to win this coveted award.

## County Moves to Condemn Property for Milano Underpass

Condemnation suits covering property along the proposed right of way for the new underpass, or overpass as may be decided, on highway 79 at Milano, were heard Monday in county court.

The county was proceeding as the law directs in such cases. A jury composed of three men known as appraisers heard the evidence as presented by property owners and the District Attorney.

Within ten days after the hearing a decision must be made and appeals can be taken, it was explained. High prices are usually demanded by property owners in such cases and the county, unwilling to pay over certain levels resorted to the right of eminent domain.

J. H. Reeves of Ben Arnold transacted business in Cameron on Tuesday.

Rev. R. F. Stewart of Minerva visited in Cameron the last of the week.

## Gets New Bridge

SENATOR KYLE VICK

## NEW BRIDGE ACROSS LITTLE RIVER ASSURED

A new bridge across Little River to cost approximately \$488,000 or more was authorized late Thursday by the Texas Highway Commission.

Senator Kyle Vick of Waco, telephoned the Daily Herald shortly after five o'clock Thursday but the news was too late for publication. Senator Vick pledged the people of Milam county that he would get the bridge and since he became a member of the Senate has worked almost without let up to improve highway conditions through Milam county.

W. F. Paden, manager of the Chamber of Commerce, was notified also late Thursday and also immediately informed Cameron newspapers. The new bridge must be put down in the long list of achievements of the Chamber of Commerce manager who has faithfully sought this important improvement for several years and has been active recently in connection with Senator Vick and others to get the new bridge.

The construction, it was said will authorize a new bridge and concrete approaches. It was not stated but a hoped for inclusion is a trestle above flood water levels. No doubt the contract will also take cognizance of this need.

Senator Vick's service in the Senate has been profitable to his district. Already given more assignments than any member of the Senate, he is serving his first term. For the splendid vote he received in Milam county and especially in Cameron in the primary in July of 1940, he has felt deeply obligated to all the people and felt he should make a special effort to serve this county, especially in the matter of a new bridge across the river and highways, the need of which he immediately proclaimed.

Members of the Commissioners' Court, especially Judge Jeff T. Kemp and Grady Stidham, local commissioners, have had the active co-operation of Senator Vick in this matter. Committees from the Chamber of Commerce have found Senator Vick ready to co-operate and today were giving him full credit for the important part he has played in obtaining this needed improvement. It was not disclosed when the contract would be taken up, but no doubt will be under way within a short time.

## ICKES IS DICTATOR OF THE OIL INDUSTRY

Secretary of the Interior, Harold F. Ickes, considered the bad boy of the cabinet, was made dictator of the American Oil Industry by President Roosevelt.

Secretary Ickes has wanted for some time to displace the Texas Railroad Commission proration service and now may have the opportunity.

Mr. Ickes, as Secretary of the Interior, will be Czar of all industry. The oil industry, a major American interest, was the first to come under the dictates of national emergency.

Gasoline will advance and so will growing shortage in Eastern United States and a possible world demand hastened the decision of the Washington Government.

Civilian use of gasoline will now be subordinated to the will not be subordinated to the national need.

Mrs. S. E. Brady is visiting relatives in Waco this week.

## JEWISH RELIEF FUND CALL IS BEING MADE

Chairman Sam Kestenbaum, who is again at the head of the Cameron United Jewish Appeal, which is a part of the Central Texas Campaign for funds which is being carried on in behalf of the United Jewish Appeal for Refugees, Overseas Needs and for Palestine quoted the President of the United States in his worthy undertaking.

"Democracy must begin with Humanity to Man." These are the words of President Roosevelt. "Your cause is the cause of all Americans" the President stated in commenting upon the relief, rescue and resettlement work carried on by the Agencies represented in the 1941 to bolster the Nazi Treasury.

The United Jewish Appeal is called United Jewish Appeal. This is a unified campaign to raise funds for the relief and rehabilitation overseas, the upbuilding and defense of the Jewish homeland in Palestine, and for the care and assistance for refugees in the United States.

Every humanitarian is vitally interested in these victims of merciless persecution. Not one cent contributed to the United Jewish Appeal is in any manner available to Americans to help the victims of Nazi Oppression to provide food, shelter and clothing for them and to help them to escape to lands of freedom. The United Jewish Appeal is the single fund-raising instrument for the foremost organizations in the United States, the Joint Distribution, the United Palestine Appeal, and the National Refugee Services.

Checks may be made payable to Mr. Kestenbaum, chairman, or to the United Jewish Appeal.

## New Bridge Will be Complete With High Water Trestles

Conn R. Isaacs, county auditor, in Austin Monday on business, heard the new bridge across Little River discussed unofficially and learned that present plans call for a concrete causeway across the bottom to be above flood waters.

The contract, when let, will also provide for concrete approaches as well as a new span across the river.

The amount of money involved is variously estimated at from \$400,000 to \$488,000 and this sum would indicate the bridge is to be a hill to hill span of concrete designed to be above all known flood levels and guarantee uninterrupted traffic during overflow periods.

## Haygoods Return to Cameron From Trip; Praise Chevrolet

Mr. and Mrs. John W. Haygood their daughter, Miss Ella Bess Haygood and Miss Katherine Mode, have returned from a trip to California.

They attended graduation exercises at Bakers Field, California, where John Calvin Haygood, their son, received his commission as a graduate flyer in the United States Air Corps.

Before leaving Cameron Mr. Haygood purchased a 1941 5 passenger Chevrolet DeLuxe Coupe, and upon his return has reported to the Grab-In Chevrolet Company on how this fine automobile performed during the trip which covered a total of 4106 miles.

They left Cameron for Austin and thence to El Paso. From that point they went to Las Cruces, New Mexico, to Globe and Phoenix, Ariz., to Blythe, Calif., to Los Angeles and up the Imperial Valley to Stockton. Turning back they arrived at Bakers Field where their son got his wings. From there they visited Needles and the Grand Canyon country, then back to Albuquerque, New Mexico, Amarillo and Ft Worth and back to Cameron.

Mr. Haygood kept a record sheet on the performance of the car and reports the remarkable economy of 16 a mile for the trip, much of which was in the mountain ranges of the west. His average speed was around 60 miles per hour.

He obtained 20.3 miles per gallon. The 16 cent per mile of travel was established despite higher fuel prices in the west. Oil was drained at 1700 miles and none was added for the trip.

A. P. Brannon of Milano visited in Cameron Monday.

## L. L. BLAYLOCK DIES AT HOME IN CAMERON

Leonard L. Blaylock, 67, former sheriff of Milam county and widely known citizen, died at his home in Cameron shortly after 5 p. m. on Thursday, May 29, 1941.

Declining health over a period of several years forced his retirement from the service of the Comptroller's Department in Austin, several weeks ago. He had been at his home here for about four months and unable to perform his duties actively in the tax division of the department.

On Monday before his death on Thursday a heart ailment complicated his condition and little hope was held for his recovery. His death was not unexpected as friends kept in touch with his condition through the critical days preceding his death.

With him at the time of his death were all members of his family, his widow and six children, five daughters and one son, Leonard L. Blaylock, Jr., member of the Federal Bureau of Investigation, in Washington, came by plane to be with his father, arriving here Tuesday.

Funeral services were held from First Baptist Church at 3:30 p. m. Friday, May 30, 1941, under direction of the Coleman Funeral Home, with interment in Oak Hill Cemetery.

Pall bearers were: Will Vaughn, Roy Law, Niley Smith, Rush Thomas, Giles L. Avriett, W. O. Newton, Sam McDermott, Sr., and E. F. Bonds.

Rev. C. W. Sanders, pastor of First Baptist Church, was due to conduct the services. Rev. B. B. Blaylock, former pastor of the church here, and a cousin of deceased, was not expected to have a part, due to ill health.

Mr. Blaylock was born in Raleigh, North Carolina, September 22, 1874. As a small boy he came to Bell County with his parents. The family settled near Moffat and continued to live there for a number of years. They moved to the Branchville community and Mr. Blaylock grew to manhood in Milam county where he was later to serve as Sheriff.

His first public appointment was Deputy Sheriff under the late Allen Hooks, Sheriff. He succeeded to the office and was re-elected without interruption with the exception of one defeat in 1922, having lost the race to Drew S. Rogers of Buckholts. Mr. Blaylock was re-elected in 1924 and continued to serve until his defeat in 1932, by R. M. Kennedy.

After his retirement from the office in January 1933, he accepted a place with George Sheppard, Comptroller, and continued with that department of the state government until ill health forced him to resign his place about two months ago.

Mr. Blaylock was active in the Sheriff's Association of Texas and was one of the most widely known Texas peace officers.

He was married to Miss Jo Payne of Branchville who survives him, together with six children. When he became Deputy Sheriff they moved to Cameron and continued to live here. He was a member of the Baptist church.

Surviving besides the widow are: Five daughters, Mrs. A. J. Lewis of Cameron, Mrs. Drayton McLane of Cameron, Miss Dorothy Blaylock of Cameron, Mrs. Sam McDermott, Jr., of Overton and Mrs. Bill Newton of Wichita Falls. One son, Leonard L. Blaylock, Jr., of Washington, D. C.

## Christian Home Is Mills Topic For Sunday Sermon

"The Christian Home," will be the Sermon Topic Sunday at the Methodist Church.

This will be a special service to which the members and friends of the church are invited to attend in family groups.

Every Methodist family in Cameron is cordially invited, and urged to attend this service. The pastor asks that as far as practical, each family sit in a pew together.

The Christian home and family is of great importance to all right thinking parents today. We all need to be thinking in terms of bringing our religion up to date.

JNO. W. MILLS, Pastor.

Will Leskar of Buckholts transacted business in Cameron Tuesday.

## FLAG WEEK PROCLAIMED BY MAYOR CHAS. SMITH

Flag Week has been proclaimed by Mayor Chas. C. Smith for the homes as well as on all public buildings and business houses. The following is Mayor Smith proclamation:

Whereas, in these days of worldwide turmoil, with subversive forces, and influences striving to discredit and destroy the ideals and institutions symbolized by our Country's Flag, all loyal Americans should answer this challenge by displaying and paying tribute to that Flag as the emblem of our rights and liberties; and,

Whereas, with this end in view, the period of June 8th to 14th has been designated as Flag Week by the United States Flag Association, during which time patriotic exercises and other appropriate functions are to be held in towns and cities throughout all the land,

Now, Therefore, as Mayor of Cameron, I do proclaim June 8th to 14th as Flag Week and direct that during this period the Flag of the United States be displayed on all municipal buildings and vehicles. Furthermore, I do invite the people of Cameron to display the Stars and Stripes at their homes, places of business and other suitable locations as well as on their cars and to hold patriotic exercises, plan Flag parades and do other suitable things as a public expression of our love of our Country, our allegiance to its Glorious Banner and our belief in the institution of American Democracy.

In Witness Whereof I have hereunto set my hand and caused the seal of the City of Cameron, Texas, to be affixed this the twenty ninth day of May in the year of our Lord Nineteen Hundred and Forty One.

CHAS. C. SMITH,

Mayor of the City of Cameron

## MRS. E. L. GREGORY DIES IN CAMERON SATURDAY

Mrs. Eugene L. Gregory, 32, mother of an infant baby, born on Wednesday night, died at 4 a. m. Saturday, May 31, 1941.

The baby girl has been named Carrol Loan.

Funeral services will be held Sunday afternoon with interment in the Salem Cemetery. The Coleman Funeral Home will direct arrangements. The funeral hours was announced for 2:30 in the afternoon at the Coleman Funeral Home chapel with Rev. Gayle Olen of the Temple Church of Christ, conducting.

Mrs. Gregory is survived by her husband, E. L. Gregory; mother and father, Mr. and Mrs. Charlie Mullinax of Cameron; four sisters, Mrs. H. V. Nicks, Mrs. S. M. Carter, Mrs. J. M. Brock and Mrs. R. P. Gregory.

## LEGION MEN TAKE IN BUND HEADQUARTERS

American Legion men Saturday in New York took matters in their own hands, but co-operating with the Sheriff's office, raided a German-American Bund office and caused the arrest of its leader.

The Legion men had good reasons to believe the Nazi were still operating. They found great quantities of literature, pictures of Hitler and other materials. The agent said to be conducting a school to train young men for industrial jobs, but in fact was an agent of Hitler.

Local officials were said to be slow about cleaning out the Bund and Legion men who fought Germany in 1917-18 did a little bit of soldiering on their own with the result that a second Bund set up has been smashed.

## Hopper Poison Is Now Available to Farmers of County

Poison to kill grass hoppers is available free to farmers, it was announced by J. W. Stufflebeme, county agent.

Some infestation has been discovered in the Maysfield community. All farmers who wish to use poison may obtain it from Mr. Stufflebeme. The government also will furnish half the bran used in mixing the poison.

Mr. Stufflebeme said he did not anticipate much damage but hoppers should be checked in time.

## Poage Sharply Disagrees with 3 Day Shut Down Of Defense Industries Over Memorial Day; He Writes His Views To President Roosevelt

Congressman Bob Poage has expressed his displeasure over a three day shut down of defense industries in the following letter to the President:

"I was shocked this morning to hear the radio announcer state that the American airplane factories had closed down for three days in celebration of Memorial Day. This means one-tenth of the potential production of a full month is forever wasted.

"A few minutes later, on my way to my office, I passed the Washington Navy Yard. All was quite except the march of sailors and of marine guards, whose true Americanism has led them to offer their all at a dollar per day. All civilian workmen whose pay ranges from a dollar an hour up were taking a holiday, presumably to do honor to those who have heretofore died in the defense of our country. All production of guns and armament was at a standstill.

"We all know that if we are to avoid the involvement and loss of American boys we must put the implements of defense in hands of British and Chinese boys. They are today offering to make the human sacrifice to stop the dictators. They ask us only to make the material sacrifice necessary to produce and deliver those implements. We know that every day of delay in the delivery of planes and guns means the needless loss of lives of thousands of defenders of democracy over the world.—A very little more delay, possibly this three-day blackout of American defense efforts, may mean the loss of American lives.—What a grim and tragic incongruity to uselessly jeopardize the existence of millions of living Americans by celebrating a holiday dedicated to the memory of the dead of other wars! I cannot but believe that those hallowed dead would much prefer that we, the living, should spend this day and every day in doing our utmost to make it unnecessary for other generations to decorate the graves of American boys of this generation.—And, Mr. President, there are going to be lots of flowers placed in American cemeteries in future years if we don't get guns and planes in British hands, fast.

"America was thrilled at your great speech last Tuesday night. All, except the chronic appeasers, want to see the true Americanism of this speech translated into action. We realize that American defense industry must not be closed down either by strikes, lock-outs, or holidays. We realize that the products of American industry must be placed in the hands of British fighting men. We know that there are dangers in this course, but we know

that any other course is certain to lead us down the path heretofore trod by unhappy France.

"Mr. President, I am one of the representatives of the State that leads the Nation in number of volunteers in our armed forces. I stand ready and anxious to aid you in the Congress and to take all steps necessary to secure uninterrupted production and delivery of all the supplies and munitions needed by the Democracies. The people of Texas are with you, Mr. President, and we have confidence that you will not hesitate to act along the lines suggested in your great speech.

With assurance of my high esteem, I am,

Yours very respectfully,  
W. R. POAGE."

### HICKMAN & BAILEY STORE CLOSED; QUIT BUSINESS

Cameron lost another business today when the Hickman & Bailey store failed to open for business.

The store was voluntarily closed. The men have been partners for several years. Mr. Hickman owns a residence grocery on Highway 77 in North Cameron and will continue to operate it, it was understood.

The big grocery in downtown Cameron was closed because it was no longer profitable to operate, it was understood. Both are young men and the people as well as neighbors in business regret their retirement.

### OBSERVES 82ND BIRTHDAY

George W. Pratt of Hoyte observed his 82nd birthday Monday. Last year Mr. Pratt celebrated his anniversary with a dinner and hundreds of guests and members of his family calling during the day. Friends here wish him many happy returns of the day.

Allen Varner of Gause, business man, was in Cameron Monday for a few hours, transacting business.

### ANNOUNCEMENT PARTY

Miss Lillian Mondrik was hostess at a buffet style breakfast Sunday morning at her home in Cameron to compliment Miss Elizabeth Eanes who is to be married to Sgt. Robert Drayton Vance Byrd on June 8th.

The tables were lace laid, with flowers in the ever popular sweet peas, thistle and daisies. A further floral decoration found white, yellow and lavender blossoms throughout the home, lending a charm befitting the happy significance of the occasion.

Mrs. Franklin Drgac of Caldwell who was the former Miss Ethel Mondrik, assisted Miss Lillian Mondrik in hostess duties and poured coffee. A charming associate in hostess duties was Kay Mondrik, talented and beautiful daughter of Mr. and Mrs. A. J. Mondrik.

Place cards on the bridge tables were in the form of tiny hearts and the announcements were of gold hearts, cleverly hidden beneath the water glasses. Guests read the announcement: Elizabeth to Robert, June 8th.

The bride to be is the daughter of Mr. and Mrs. V. M. Eanes of Cameron and the groom is the son of Mrs. Josephine Thompson of Los Angeles, California. He is now stationed at Fort Bliss near El Paso. They will be married in Cameron and go to El Paso to live.

A gift to the bride to be was a Fiesta breakfast set, given by the hostess.

Guests for the breakfast were: Mrs. Emmett Streetman, Mrs. Johnnie Eanes, Mrs. Vernon Eanes, Mrs. Franklin Drgac of Caldwell, Mrs. A. J. Mondrik, Miss Jackie Alexander, Mrs. Randolph Williamson, Mrs. Peck Collins, Miss Lois Randolph, Miss Mildred Thornton, the honor guest, Miss Elizabeth Eanes, Kay Mondrik and the hostess Miss Lillian Mondrik.

Joe and Fred Palmer of Rockdale spent Saturday in Cameron.

Willis Vogelsang of Ben Arnold was in Cameron Saturday on business.

## John Calvin Haygood Gets Wings; Graduates In California School

John Calvin Haygood was graduated from the air corps advanced flying school at Stocton Field, Calif., on May 29th.

Sixty of the 133 Flying Cadets to graduate are from Texas. They have received congratulations from Governor W. Lee O'Daniel.

Upon graduation the men received their commission as Second Lieutenants in the air corps.

Haygood is the son of Mr. and Mrs. John W. Haygood of Cameron. He attended Southeastern Louisiana College and also Allen Academy. He took his preliminary training at Santa Maria, California and the basic course at Moffett Field, California.

Mr. and Mrs. Haygood left Cameron several days ago to be with their son on the occasion of his graduation.

Gold brought them to California  
but LAND kept them there!

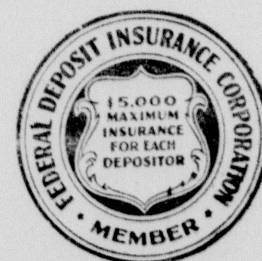

In '49 the cry was "Gold!" Visions of quick wealth brought thousands from the comparative security of their eastern homes to the little traveled trails leading West. Some found their fortunes, others perished on the way, but it was LAND that made the Empire of the West, not gold... thousands found in California the security offered in the land—they settled there to establish the core that is now the West.

Flinn, heretofore duly appointed by the said Court to do so, will assess damages of Defendants by reason of the construction, reconstruction and opening of United States Highway No. 79, upon, across and through certain real estate described in Plaintiff's Petition as follows, to-wit:

All that certain part of the Mary A. Sackett survey in Milam County, Texas, being a part of the land conveyed by J. D. Hooker, et ux, to J. B. Lankford by deed dated the 28th day of October, 1890, and recorded in Volume 58, page 625, of the Deed Records of Milam County, Texas, to which said deed and the record thereof reference is here made and made a part hereof, being more particularly described as follows: Beginning at a point where the center line of the new location on United States Highway No. 79 crosses the W. right-of-way line of a country road at Survey Station 611/77.5, Thence N. 17-10 E. 74 feet, Thence N. 74-24 E. 1117 feet to a point 60 feet to the left of and at right angles to Survey Station 125/00, Thence S. 15-36 E. 5.7 feet, to a point on the present N. right-of-way line of United States Highway No. 79, Thence along said N. right-of-way line S. 74-24 W. 102 feet, Thence S. 69-24 W. 700 feet, S. 66-44 W. 397 feet, Thence N. 17-10 E. 67 feet to the place of beginning, and containing 1.462 acres of land, more or less, to which real estate the fee simple title is in the said Defendants as is more fully set out in said Petition of the Plaintiff, said Commissioners having been duly sworn to assess said damages fairly and impartially and in accordance with law.

Given under my hand and seal of said Court, at office in Cameron, in the County of Milam, this 12th day of May, A. D. 1941.

## BRITISH AGAIN ARE CAUGHT NAPPING

Presence of German troops in Syria and previous violation of that country's neutrality by the Nazi, was said to be leading to a major scale operation in that country.

The battle of Syria may be fought between the Germans and French on one side and the British on the other.

In London the British were talking of an invasion or occupation of Syria. It is vital to the defense of the Suez Canal.

Nobody who has watched the course of the war expect the British to occupy Syria. Their operations are always about 30 days too late in any campaign. For example, they could have occupied Syria months ago. But they simply wait until Germany has occupied a given territory then attempt a small scale operation.

However, news casts today indicated that the British may be moving rapidly, on British terms, to occupy Syria. In any event a large scale battle is to be fought for the first time between German and British soldiers in the near East and for the Suez Canal.

In Washington the Roosevelt government was doing nothing as usual. There was talk of material priorities and also control of industry not essential for defense.

Since the President spoke to the nation last week there has been no appreciable indication that any thing has or will be done.

The Germans are getting ready to close the Mediterranean sea as well as the Red Sea. American shipping

so boldly proclaimed by Roosevelt as destined for the Red Sea may never reach those shores.

If the Axis closes the Red Sea coast it will not be necessary for this country to move. It will be too late and the excuse will be both obvious and plausible.

There was some break in the strike situation when 17 trades unions throughout the country returned to work on orders of the American Federation of Labor.

## RICHTER-MATULA

Miss Edna Richter became the bride of Louis Matula in a simple but impressive ceremony at St. Monica's church at 8 a. m. Tuesday with Rev. George J. Duda, pastor, saying the Mass.

They left the city following a breakfast for an unannounced destination honeymoon.

Miss Richter was the recipient of many social courtesies before her marriage, one a shower given by her aunt, Miss Mary Richter on May 27th. She is the daughter of Mr. and Mrs. Frank Richter, a graduate of Yoe High School and very popular with a large circle of friends.

Mr. Matula, with the Coca-Cola company here, is the son of Mr. and Mrs. F. C. Matula, an old family like that of the bride, in the community. Both have the well wishes of a large circle of friends here.

Mrs. Allie Kinard has returned from a two weeks visit with relatives at Rusk, and is now with her daughter, Mrs. Oscar Schiller.

George W. Blansett of Yarellton, prominent pioneer, was in Cameron Saturday afternoon.

## Cherry Day at Herald As Reader Remembers It's Midget Birthday

On June 3, 1939, the first issue of the Daily Midget was distributed to an incredulous public. The little paper then was indeed a midget, being two column seven inches in size.

Today the Midget has a birthday. It's nice to be remembered and we were not disappointed. Joe G. Matula of the local postoffice brought in a pound of ripe red cherries that the Herald force might not pass the day away without some semblance of appreciation.

Mr. Matula remembered the Midget on its first anniversary June 3rd, 1940. Beginning its third year, The Midget counts on Mr. Matula as a loyal booster and reader.

He has issue No. 1 and all succeeding issues of this paper. Yes, The Midget is two years old today. There are no flowers and only one who remembered, but there are a lot folks waiting around on the street for the Midget to get out, so we end this.

Mrs. W. H. Tucker is visiting her sister Mrs. Frank White in Waco this week. Mrs. White has been ill but is rapidly improving and will soon be out.

Mrs. Henry Reineke of San Antonio is here for a visit of several days. She moved to San Antonio last year and reads the Herald each week and it will go forward to her address for another year.

Messrs. W. P. McCall and W. E. Tucker made a business visit to Austin Monday.

## St. Rita's Circle Closes Successful Year Here Wednesday

St. Rita's Circle closed a busy year with a social at the Knights of Columbus hall Wednesday. A brief session was held, during which Mrs. Leo Laake was elected a delegate to the District meeting of the N. C. C. W. to be held at West, June 1. After the business meeting forty-two and dominoes furnished entertainment.

The hall was decorated with spring flowers and tiny bowls of flowers centered each table. At the conclusion of the games prizes were awarded to Miss Agnes Gartner and Mrs. Emil Boedeker who held high and low score respectively and Mrs. Hugo Boedeker who held the traveling award.

Refreshments of ice cream and cookies were served by the hostesses Mesdames Roy Jeter and Bill Parma.

During the refreshment service piano selections were rendered by Misses Lillian Michalka, Josephine Matocha, Loretta Boedeker and Christine Michalka.

Other guests of the Circle were Mesdames E. O. Schiller, D. J. Ku-becka, J. L. Marak, Frank Polansky and Rev. Geo. J. Duda.

## Winners in Baby Contest Announced

Pictures of Renee Miller, three year old daughter of Mr. and Mrs. Cyrus Miller won first prize and Tommie Kelley, 5 year old son of Mr. and Mrs. G. E. Kelley, second prize were shown on the Chatmas Theatre screen Tuesday night in Hearne, along with more than 100 others.

Each child will be given a 11x14 bronze picture. All pictures shown were taken by Charles Mowan and were judged by experts.

They will be shown again on Tuesday night June 3rd at 9 o'clock so that all who missed the first show will see them.

## SHOWER

A shower for Miss Edna Richter who will become the bride of Mr. Louis Matula on June 3rd, in Cameron, was arranged as a happy complement for the bride to be by her aunt, Miss Mary Richter on Tuesday afternoon.

The shower was held in the home of Mr. John Richter, grand father of the bride to be. Joining in arranging the shower with Miss Mary Richter was Miss Mary Matula sister of the groom.

The room where the party was held was decorated with gladiolas and Easter lilies. Games were directed by Mrs. Grace Reid. In the unfolding of the program the guests were told of the approaching wedding on June 3rd, Louis Matula and Edna Richter.

Miss Dorothy Richter, who presided at the bride's book, registered 125 guests during the afternoon.

One of the delightful features of the happy occasion was a mock wedding engaged in by Misses Mary Matula, Agnes Macal, Billie Marek, Agnes Heber, Mildred Michalka, Shirley Horstmann, Inez Slaughter and Mrs. Bill Richter.

The bride to be is the daughter of Mr. and Mrs. Frank Richter of Cameron and the groom is the son of Mr. and Mrs. F. C. Matula of Cameron. Both families have been prominent in business and society for many years.

The wedding will occur on Tuesday morning at St. Monica's church at 8 o'clock with Rev. George J. Duda, reading the mass.

Following the program for the shower the hostess served a salad plate and punch.

## Red Cross Knitters Needed; Yarn Room Moved to Winfield's

## PRESIDENT HAS DONE NOTHING SAYS VERDICT

### BY THE DUMB REPORTER

I listened to Congressman Dies last night. He said if he had his way he would expel every communist and Nazi agent from defense works.

On Monday five aircraft experts perished when a mighty bomber known as the British Liberator, crashed into San Diego Bay.

This morning a Washington news cast said that Lewis M. Cannon, 23, of Woodstock, Illinois, mechanic, died Tuesday night. Just before he died, he made a statement in which he charged that the plane had been tampered with. The government, it was said had obtained valuable information from the death bed statement of Cannon.

John L. Lewis, Adolph Hitler Joseph Stalin and Madam Perkins will be glad to know that progress is being made.

Another plane crashed off Nova Scotia. It too was a British Liberator being flown to England. The crew perished. It was looking for another plane also reported lost.

An increasing number of good Americans are looking toward the White House. The time is nearly run.

In Britain today the Press, always England's greatest power, was demanding occupation of Syria. There is growing discontent in England. Winston Churchill told the British people he would fight to the Death for Crete. Instead he evacuated some 20,000 troops.

Winston Churchill was forced out in the world war after the Gallipoli campaign in which the British lost 250,000 effectives in a vain attempt to force the Dardanelles. What about Cyprus? What about Malta? Indeed what about Syria and the Suez?

The British believe that Turkey is yet to be depended on and if Syria is lost Turkey cannot give any aid to Britain. This is the first time Turkey has figured in the war news in some time. Everyone thought the Turks had succumbed to the Nazi.

There was some belief the British are attempting something big in Syria. No doubt it is the battle of

the war for Britain. If they can not deal with the Germans, it will mean the end for British Mediterranean power and perhaps the blow from which they would not be able to recover.

The United States government has asked Vichy for a clarification of French attitude. That's the biggest joke of the day. Can you imagine the stupidity of such a thing? The State Department dispatching a note to a Nazi controlled government asking for a clarification of attitude.

France is without power to act in any way save as Germany directs. Why not ask Hitler what he intends doing in Syria? After all this country has no quarrel with France.

The Royal Air Force was again raiding Syria.

One of the big splashes of the day was the announcement from Washington of the results of a poll of congressional mail. Since the President spoke to the nation on May 27th in that Fireside chat, letters and telegrams have been pouring in.

Like most of us, the people expected action. It was therefore thought advisable to take a poll, so they gathered up the letters of Congressmen and Senators and started.

The results were announced this morning. Maybe the President's face is red.

The composite verdict is: "Mr. President you have done exactly nothing since your chat of May 27th."

Up until Mr. Roosevelt made his emergency proclamation, about all the mail Congressmen were getting came from the Nazi. The Rip Van Winkles who make up the other part of the people, however, began writing. Now they say, it looks like a great American protest. "Mr. President, why in the Hell don't you do something. You talk big and act little. As they say in China: There's big noise on stairs, nobody comes down."

I sat in the theatre Monday night. The news reel was taken up with the President. He was reading his speech. Reaffirming the good American Doctrine of Freedom of the Seas, etc. I liked it and so when he concluded, I stood up and cheered. Nobody joined me. And nobody cheered the President of the United States.

No doubt many thought me irresponsible. I felt worse.

Mickey House got a big hand. Thank God for a sense of humor. Many peoples have lost their sense of humor or the right to assert it. That is one of the big issues of this war: The right to a sense of humor.

## NEWS FROM Bryant Station

### H. D. NEWS

Though flies and maggots abound, we do not fatten on these, neither should we permit our boys and girls to clutter their minds with sordid stories and depressing thoughts that are found in the greater number of magazines found on the market today. Mrs. G. L. Jones warned members of the Bryant Station H.D. Club when they met with Mrs. E. Obermiller, on Thursday afternoon, May 29th. Having demonstrated a number of educational and instructive magazines she asked, "what better literature can be found than the Bible?" Where can one find more inspiration and more beautiful figures of speech? Illustrations and answers to her pertinent questions concluded her talk.

Mesdames Sam Henderson and R. L. Zedletz also gave parts on the program.

Members are looking forward to a program "Over the Garden Fence" when the club meets with Misses Ellen and Cleo Neal of Rogers on June 12th at 3 o'clock p. m.

Visitors are welcome. We urge you attend.

Mr. and Mrs. G. W. Odom, Mrs. Lola Sparks and daughter, Geraldine, Mr. and Mrs. C. F. Martin and Mr. and Mrs. Kay Moore spent Sunday at Huntsville.

Mr. and Mrs. Albert Horstmann and daughter, Leah Marie of Abilene are visiting her parents, Mr. and Mrs. Lely Moore.

Sunday guests of Mrs. C. A. Brown, were Mr. and Mrs. Albert Podany, Jr., and daughter Ila Fay, of Rogers and Mr. and Mrs. R. A. Brown of Waco.

Mrs. Elmo Obermiller and children spent Sunday afternoon with Mrs. Vernon Allison.

## Dublin Blitzed by Nazi Planes; 40 Are Killed in Raids

Dublin was raided by German bombers early Saturday and 40 people were dead.

Formal protest has been sent to Berlin by the Irish government. The Germans laid the bombing to the British.

Irish bases, long sought by Britain, for the duration of the war have been denied by the Irish. The United States has also sought use of Irish ports but the Irish were fearful the Germans might concentrate on them from the air.

Now the Germans are bombing the Irish. The Dublin raids cause great damage as well as taking a toll in human life.

## the ROAD AHEAD

Old Man Texas is today looking ahead and planning.

Beside the great farming and ranching country which Texans have built, he sees a new industrial empire here.

Already the start has been made. Some industries, such as petroleum, are now showing what can be done to utilize Texas' vast natural resources. Today this industry refines with Texas labor over four-fifths as much oil as the State produces. Its

products make up nearly one-half of all Texas manufacturing. Altogether petroleum provides the living for almost one-sixth of our people.

But this is only a beginning.

Texas has many other raw materials, unexcelled by any other State. Texas has in oil and gas the cheap and dependable fuel supply essential to industry. Texas is the gateway to Latin America, our new foreign market.

Each new industry means more jobs. It makes added tax values for our State and local governments, bigger payrolls for our workers, and greater prosperity for you and every other Texan.

## BRITISH WIN WITH CAPTURE OF BAGDAD

Irak has asked Great Britain for an armistice and fighting between the German inspired government and the English armies was ended last night.

This is the third victory for the British in the middle east campaign and it was said that control of the Mosul oil fields, so necessary to the British Mediterranean fleet, is now guaranteed by the British.

The ancient city of Bagdad which was to have been the terminus of the trans-European railroad by the Germans who dreamed under the Kaiser of a rich domain in the middle east, was taken by the British. Rather than submit to its seige by rapidly arriving tank columns the government surrendered.

The conclusion of the Irak campaign will enable the British to turn their attention to the importance of defense against the Germans who are certain to contest for the middle east in the coming battle for the Suez Canal.

Crete was given up by the British and thus ended the bloodiest fighting of the war. It has engendered more hatred between the British and Germans than even the frightful slaying of thousands of civilians on both sides.

The Germans planned to mop up Crete over the week end.

In Britain it was believed that battle of the Southeastern Mediterranean was yet to be fought. The British have had time to more thoroughly fortify the Isle of Cypress which is believed to be next in German plans.

### WILL GO TO AIR CORPS

Thomas Jefferson White, now stationed at Fort Sam Houston, in the Post Medical Detachment, has been notified of his acceptance for the United States Air Corps and will be called to that service early in July and will no doubt go to California to complete his training as a war bird. ### MRS. MAUDE PATTILLO

Mrs. Maude Pattillo died at her home in Houston at 11:15 a. m. May 30th, 1941. Her death was sudden and was a great shock to loved ones and friends.

She was born in Rockdale, November 26, 1889. Was married to Lemuel Albert Pattillo November 13, 1912.

Surviving are three sons, L. A. of Shreveport, La., George and Ray of Houston. Three sisters, Mrs. L. M. Taylor of Abilene, Mrs. C. A. Price of Waco, and Mrs. John J. Longmire of Houston, and one brother Wilbur Joyner of Gause.

Her husband preceded her in death, April 11, 1932.

Mrs. Pattillo lived in Buckholts 24 years, was a devout Christian, a member of the Methodist church, was much loved by all with whom she came in contact. She and her sons moved to Houston five years ago and resided there until her passing.

Funeral services were conducted by Rev. T. D. McCrary at the Buckholts Methodist church on Sunday afternoon, June 1.

Burial was at Corinth where her husband and other loved ones are sleeping.

### JOE BAILEY VISITS HERE

Joe Bailey, garage owner, is back home for a few days to close out a stock of used cars and his shop.

He recently accepted a position in Freeport with the Chevrolet motor company and reported Sunday to friends here that Freeport is booming and he likes his job which is a profitable one.

Cities without effective means of creating income are doomed to the ordinary class. The loss of business and business men is regrettable but friends here wish Joe much success.

Judge Jeff T. Kemp was in Austin on Monday to transact business for the county. He was notified about the new bridge Monday.

## WITH THE BAPTISTS

I notice frequently that a news reporter frequently emphasizes the bright spot in the news. If we were to emphasize the bright spots in our services over the week end there would be three, Dr. Ben Oliver a native son of Buckholts, who is now a missionary in Brazil, was in the service Sunday morning; Bro. Archer was with us and has begun his tenure of service with us, and there were four additions to our church. We thank God for these bright spots and as we work we will try to be worthy so that others will be forthcoming.

"A young lady was hurrying to Sunday School. A man accosted her and said, 'what is the hurry?' Well, she replied, 'You see I do not want to be late to Sunday School.' 'Ah, he said 'haven't you outgrown that silly stuff yet?' That 'hell bent man has his bearing!' Early in life three lessons ought to be learned spiritually. They are: We are saved by the grace of God, Christ may come, or we may go to him at any time and then we will give an account for every deed done in the flesh; and third, a tenth of our income belongs especially to the Lord. Oh how far from God's standard was the man that scoffed at the little girl's Sunday School efforts—

which of these characters do you

favor?

Our Sunday School record was 255 in attendance and one hundred and ten dollars offering. Training Union attendance was 97 and we had four additions.

The pastor is in Fort Worth, this week attending the Baptist Evangelistic conference at Seminary Hill. Every preacher in Texas is expected by our state leadership to be in attendance.

Every Baptist in Cameron is expected to do their duty every Sunday! Be with us for the Biggest parade of the year in Cameron sponsored by our Sunday School. Punch will be served to the everyone of the three hundred to be attending following the parade.

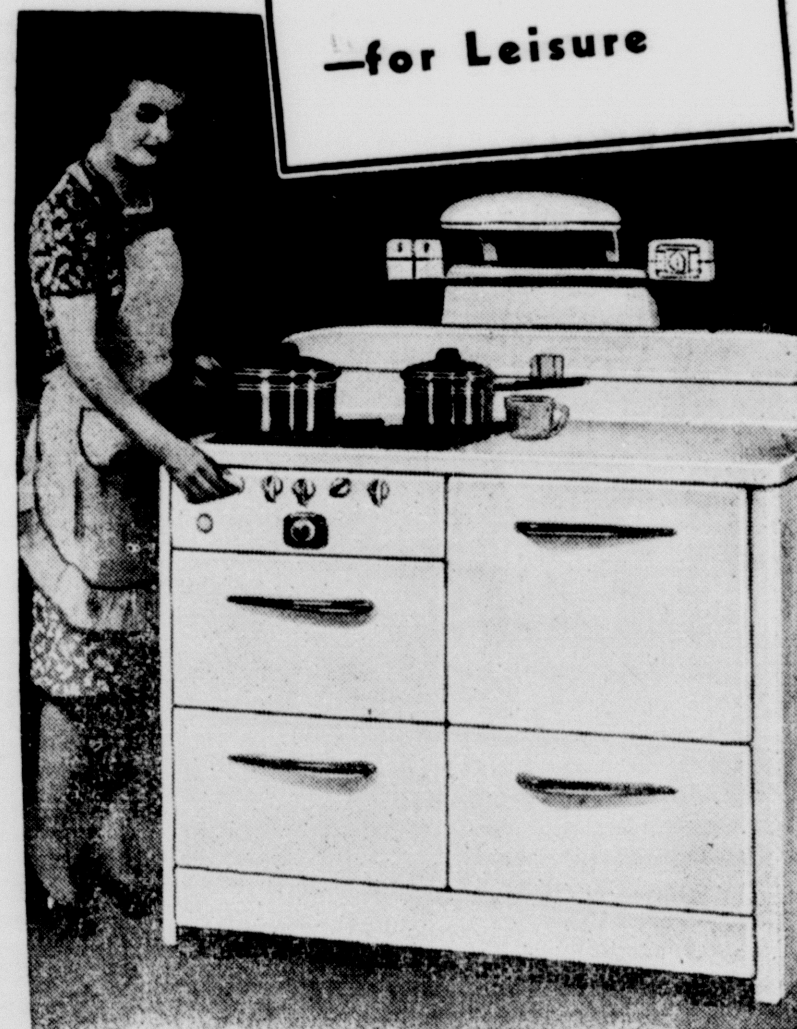

Sunday School at 9:45. Morning Worship at 11. Sermon "When Silence Is Sin." Training Union 6:41. Evening Service 7:45. Sermon, "The Providence of God."

Mrs. Gladys M. Watson and mother, Mrs. H. C. McKee of Fort Worth, were week end guests of Miss Delphya Scott. They also will visit other friends while here for two days. Mrs. Lou Meyers, Mr. and Mrs. M. G. Cox, Miss Rose Rischer, Mrs. Bob Wiley, before returning to their home Wednesday.

## CONTROL

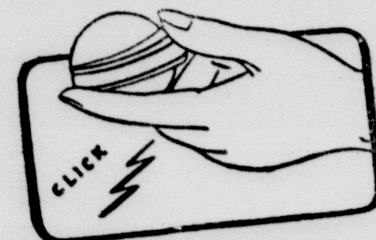

—for Better Results  
—for Economy  
—for Leisure

## Modern Gas Range gives matchless control of heat

From oven canning to quick frying, the modern gas range gives a control of heat heretofore thought impossible to attain in a cooking appliance. For instance, the insulated oven holds even temperature as low as 250 degrees and top burners give a simmering warmth or vigorous frying heat at the click of a valve. This accurate heat control means better cooking results, fuel and food savings, and more leisure. Why not do as others are doing—plan a modern, easy-to-work in kitchen around a new gas range?

- Easy to clean porcelain enamel surfaces.
- Heavily insulated oven with high-speed burner, automatically controlled.
- In-a-drawer broiler with smokeproof broiler grid.
- Service drawers operate on roller-bearings.

Simmer burner's speed boiling heat brings water to a boiling point in a hurry. Then at a click of the gas valve it offers a controlled boiling heat which keeps this water at the right boiling point.

## 102 Graduate in Senior Class of 1941 at Yoe High School Here; Program Given by Graduates; No Commencement Address Delivered this Year

One hundred and two members of the Senior Class of 1941 received diplomas of graduation from Yoe High School on Friday night.

The Commencement program was unique in that it was given by members of the class who are ranking students, and members of the faculty and board. There was no commencement address.

The program began at 8:15 on Yoemen Field on which graduation exercises in recent years have been held. The Yoe High School Band under Frances Cox played an Overture and then a Processional as the Seniors marched on the field. The congregation sang "America."

Miss Ila Jean Stidham, fifth ranking honor student gave the prayer. She is the daughter of Mr. and Mrs. Tom Stidham of Jones Prairie.

Wayland Kidd, class President introduced the class. This was followed by the Salutatory address by Doris Newton with the topic: "An Appreciation of the Home and the Family." Miss Newton is the second ranking student of the class.

A woodwind octet "Now The Day Is Over," was given by the following students: Evelyn Brown, Betty Freeman, Billy Freeman, Morris Eplen, Doris Newton, D. L. Lindsey, Ila Jean Stidham and Charlotte Perkins.

Bill Curd, sixth ranking student of the class gave an address on "A Preparation for the World of Work."

Mary Jane Brock, fourth ranking student among the Seniors, followed with an address on "An Awareness of the Beauty About Us." She is the daughter of Mr. and Mrs. Jesse Brock.

The congregation joined in a song "America, the Beautiful."

Rosemary Bennett, first ranking student and Valedictorian of the Class gave the Valedictory address on "A Sound Knowledge of Our Democratic Government." This was followed by a song "God Bless America" by the congregation.

The theme of the graduation program "The American Way of Education," and was carried out in the general arrangement of the program.

W. C. Weise, Principal of the High School, presented scholarships and J. C. Martin, president of the board, gave the diplomas.

Martha Frances Brogdon, daughter of Mr. and Mrs. S. E. Brogdon, sounded taps and thus ended the commencement program for 1941. The recessional was played by the band.

### Judge Kemp Officially Notified of New Bridge

Judge Jeff T. Kemp has been officially notified by District Engineer Blair of the allocation of the State Highway Department of funds in the sum of \$400,000 for a new bridge across Little River.

Mr. Blair is no longer District Engineer. Whether this fact hastened the decision on a bridge is not known but it came with Mr. Blair's promotion. In the letter Mr. Blair said: "We have been needing a bridge for some time."

The new bridge will be built north of the present bridge and the Commissioners Court will be forced to buy right of way. The present bridge will be used while the new one is under construction.

The county is now conducting trial of condemnation suits over a right of way for a new underpass at Milano on Highway 79.

Mr. Blair said he had been called to places of higher responsibility in the Commission.

### Rosemary Bennett Is First Ranking Member 1941 Graduating Class

Rosemary Bennett is the first ranking student of the graduating class at Yoe High School for 1941.

Commencement exercises held on Friday night, May 30th at Yoe High Athletic Field, gave opportunity to hundreds of school patrons to witness final assembly of the class and to hear their graduation program.

Miss Bennett is the daughter of Mr. and Mrs. R. P. Bennett. Her scholastic averages were the highest of any member of the class, a consistent scholarship record which she has maintained throughout her four years in high school. As Valedictorian of the class she delivered the Valedictory address on "A Sound Knowledge of our Democratic Government."

Popular among the student body and always a leader, Miss Bennett, was popular choice for the honors in addition to the earned scholastic rank. She was a member of the band under Frances Cox and took part in many other student activities.

Doris Elinor Newton, second ranking student, was salutatorial of the graduating class. It was her privilege to deliver the Salutatory address, an honor which came to her for her earned rank and popularity among the student body. Miss Newton is the daughter of Mrs. Guy T. Newton, county superintendent and the late Guy T. Newton, also county superintendent. She was a member of the band and took part in many of the activities of the student body to earn a place of esteem in the class of 1941. The subject of her Salutatory address was: "An Appreciation of the Home and Family."

Wayland Kidd, third ranking student, introduced the class. He was President of the Senior Class, a place of honor given him because of his student record and popularity on the campus. Mr. Kidd is the son of Mr. and Mrs. O. L. Kidd.

Jess Thompson of Bethlehem transacted business in Cameron on Wednesday.

The county school board was in session here Monday.

### "THE CHURCH'S ONE FOUNDATION"

- - - SAMUEL J. STONE - - -

The Church's one foundation  
Is Jesus Christ our Lord;  
She is His new creation  
By water and the Word;  
From heav'n He came and sought her  
To be His holy bride;  
With His own blood He bought her,  
And for her life He died.

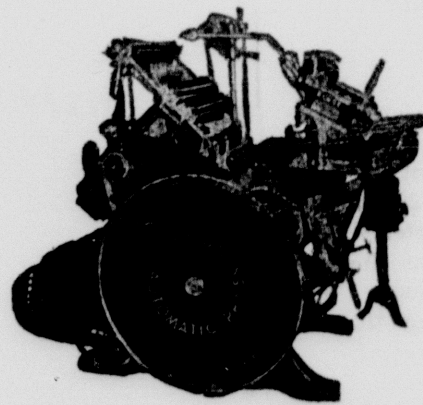

#### Little Stories of GREAT HYMNS

This favorite hymn of dedication reiterates the central truths of the Christian Faith found in the Apostles' Creed. It is a fitting choice when a cornerstone is to be laid, for it suggests the words of Jesus, "The stone which the builders rejected, the same is to become the head of the corner."

### CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 8th.

The Golden Text is: "Great and marvellous are thy works, Lord God Almighty; just and true are thy ways thou King of saints" (Revelation 15:3.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created." (Revelation 4:11.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Creator. Spirit; Mind; intelligence; . . . God, who made all that was made and could not create an atom or an element the opposite of Himself." (Page 583.)
